

“We have shot the elevations and the drainage flows correctly.”

(Tanya McConnell, BCC Meeting 4-21-09)

Fargo between Pinion (paved in 2002) and Yearling (paved 2009.) Engineering does not want to pave this portion.

“We have shot the elevations and the drainage flows correctly.”

(Tanya McConnell, BCC Meeting 4-21-09)

Fargo basin between Pinion (paved in 2002) and Yearling (paved 2009.) Engineering does not want to pave this portion.
